

Overview of presentation plots

Philipp Cremer, Jannis Stagge, Felix Westerhoff

May 25, 2026

1 Replication

Current OECD data

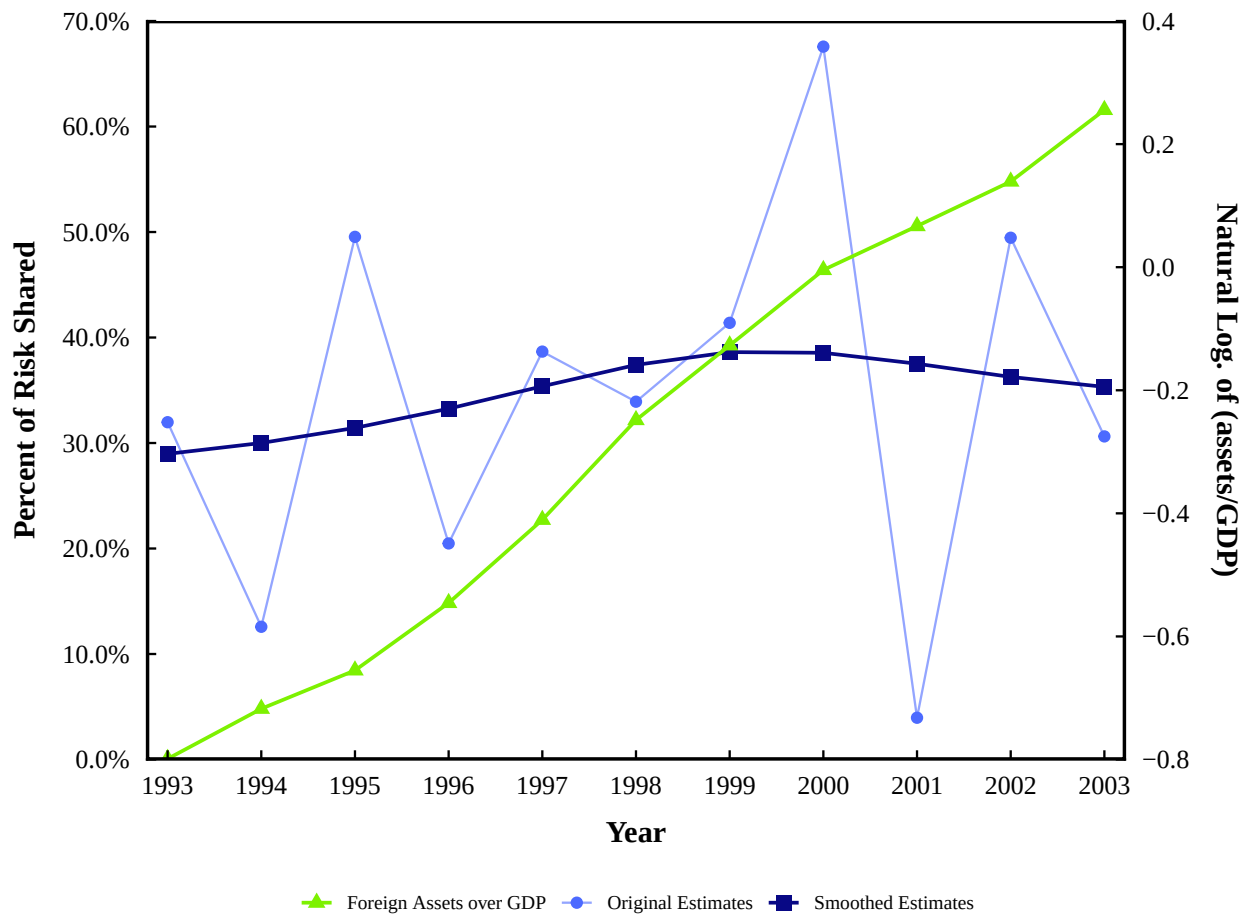

Figure 1: Replication of Consumption Risk Sharing

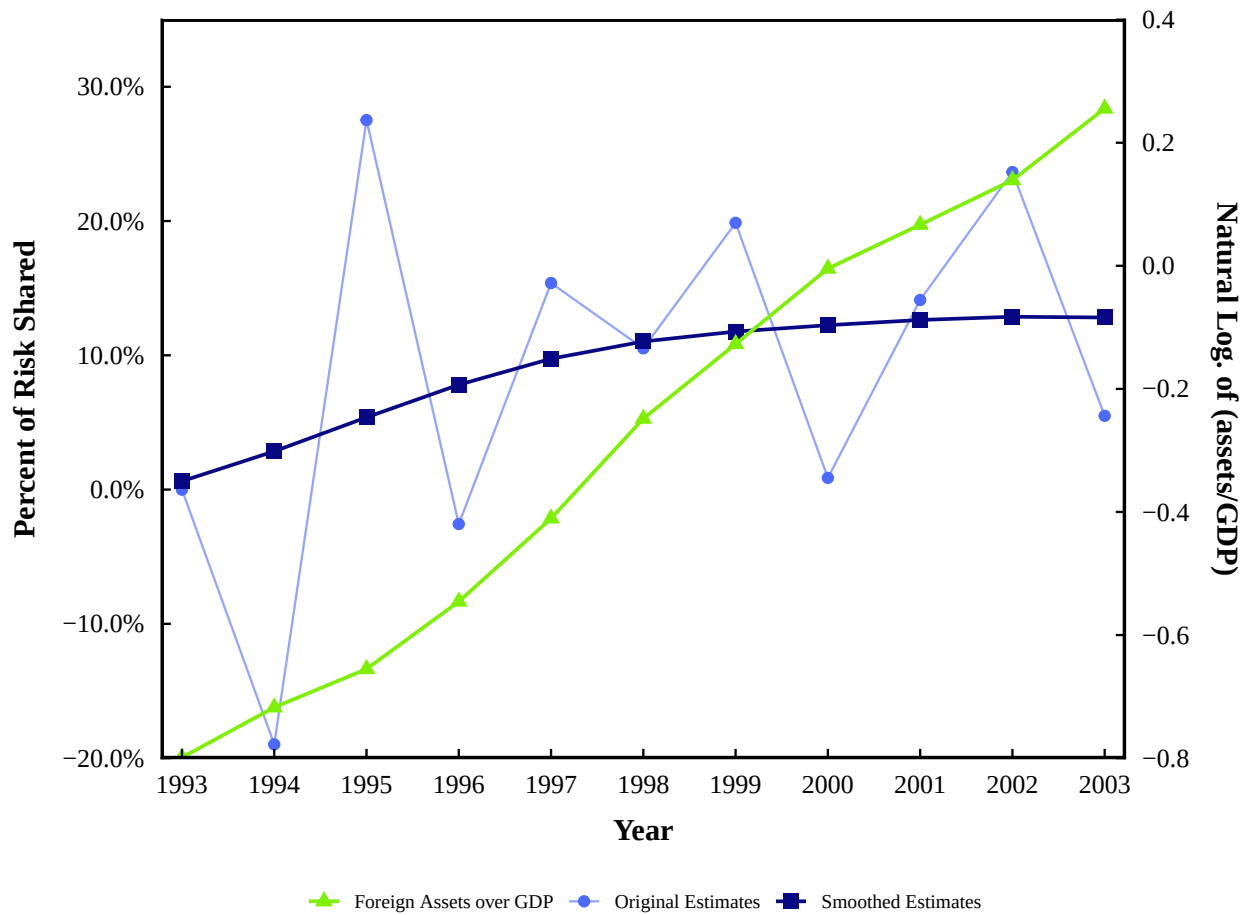

Figure 2: Replication of Income Risk Sharing

Past OECD data ("Sanity Check")

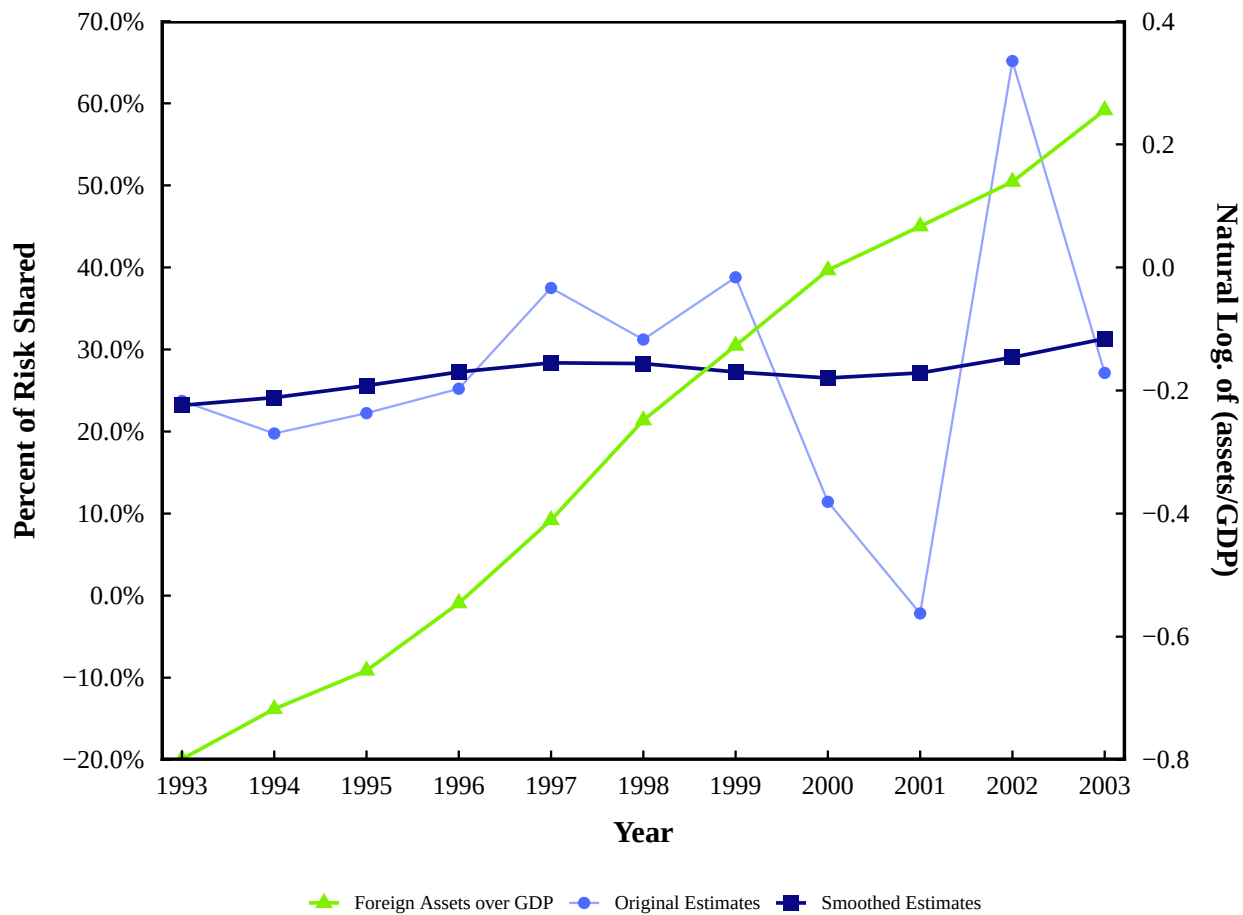

Figure 3: (Extracted) consumption risk sharing, 2005 constant prices, no government exp.

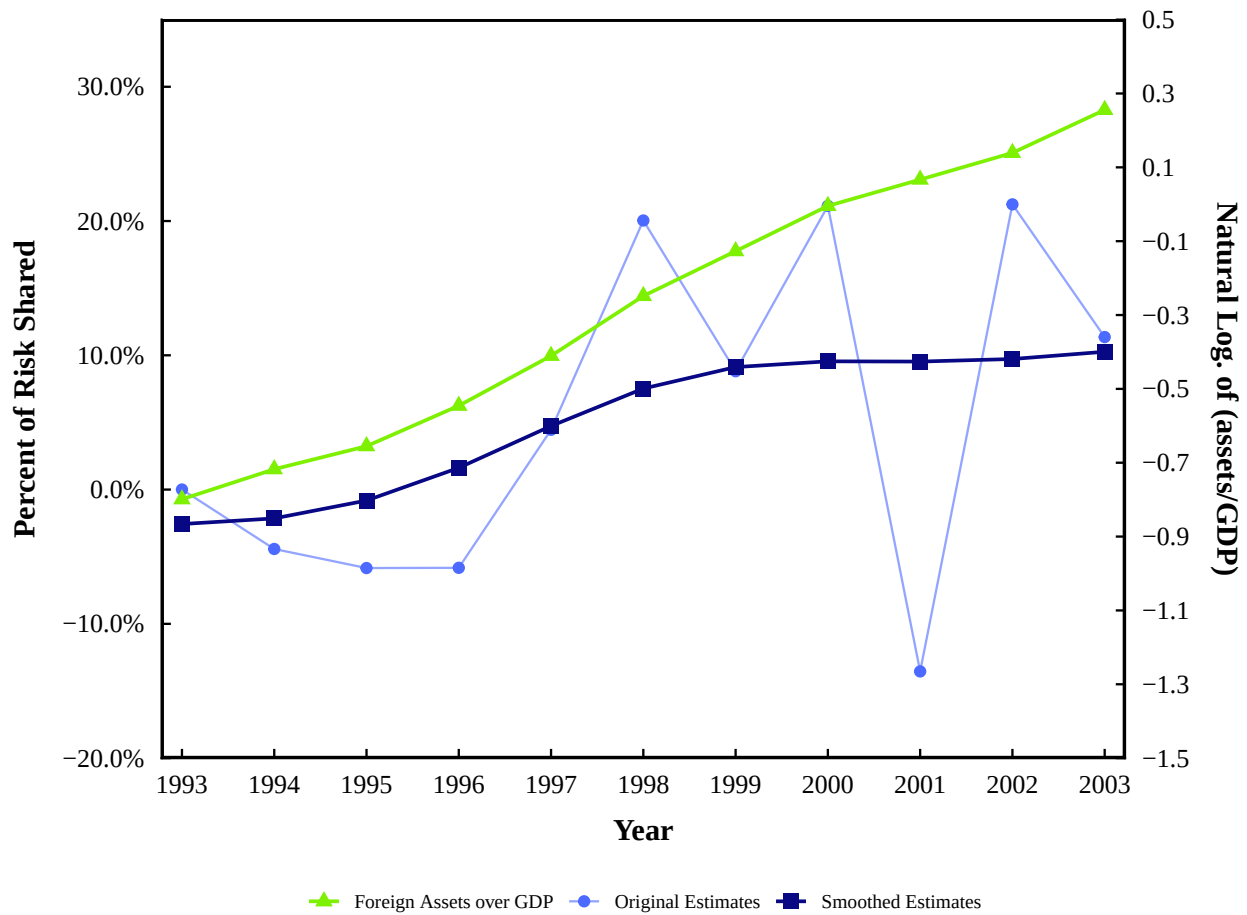

Figure 4: Manually computed PPP adjustment from extracted data

2 Extensions

Extension 1: 1987 - 2017, same countries

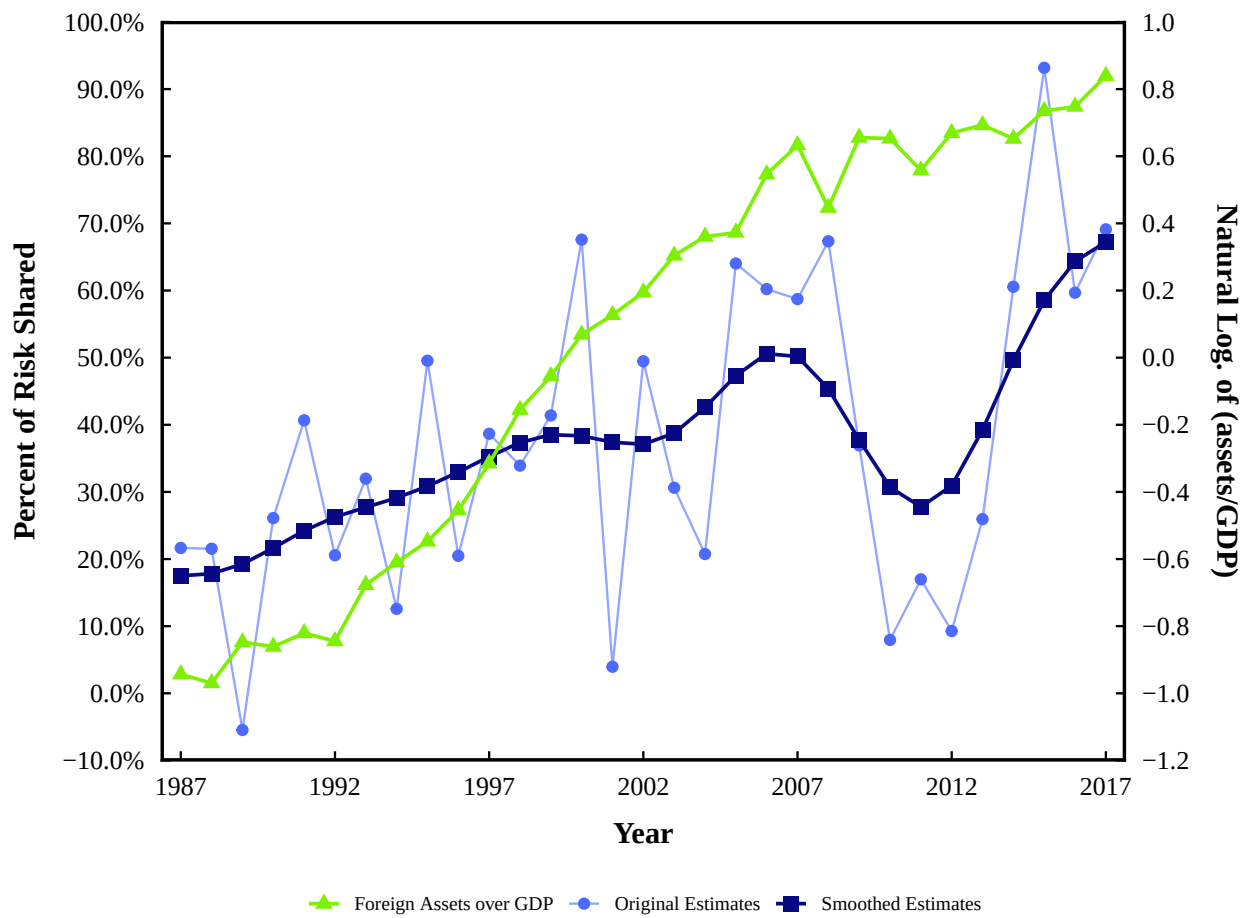

Figure 5: Consumption Risk Sharing

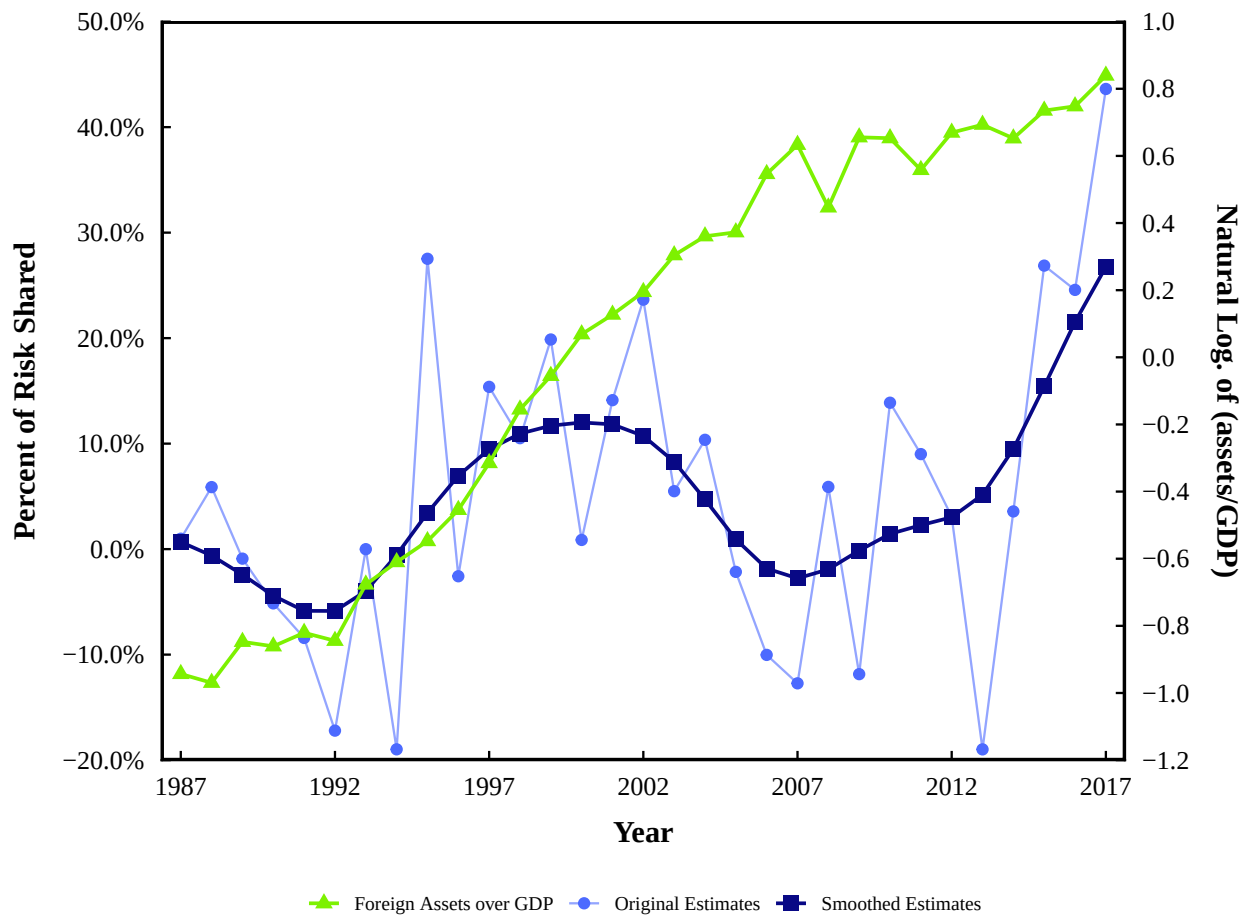

Figure 6: Income Risk Sharing

Extension 2: 1987 - 2017, Top 50 Economies + EU (depending on data availability)

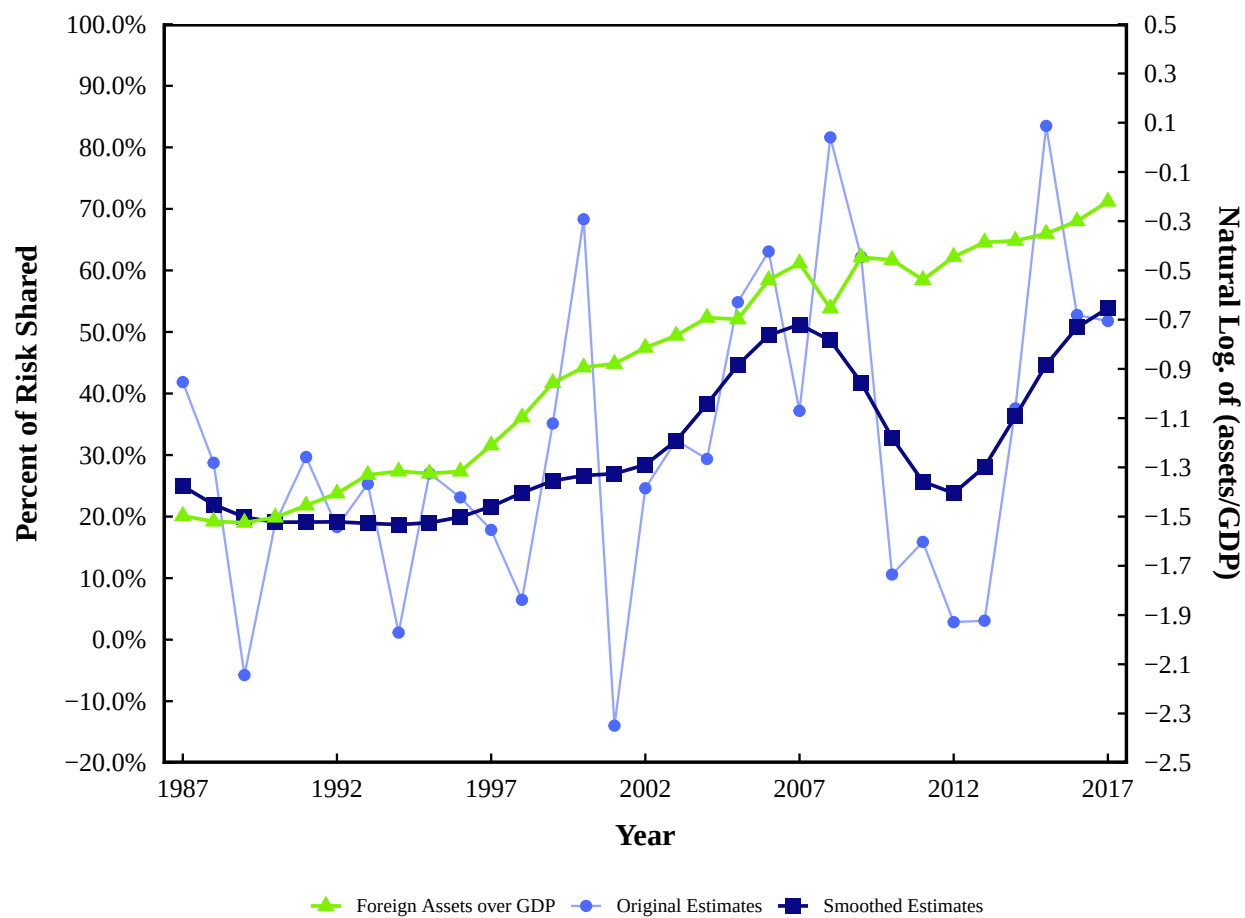

Figure 7: Consumption Risk Sharing

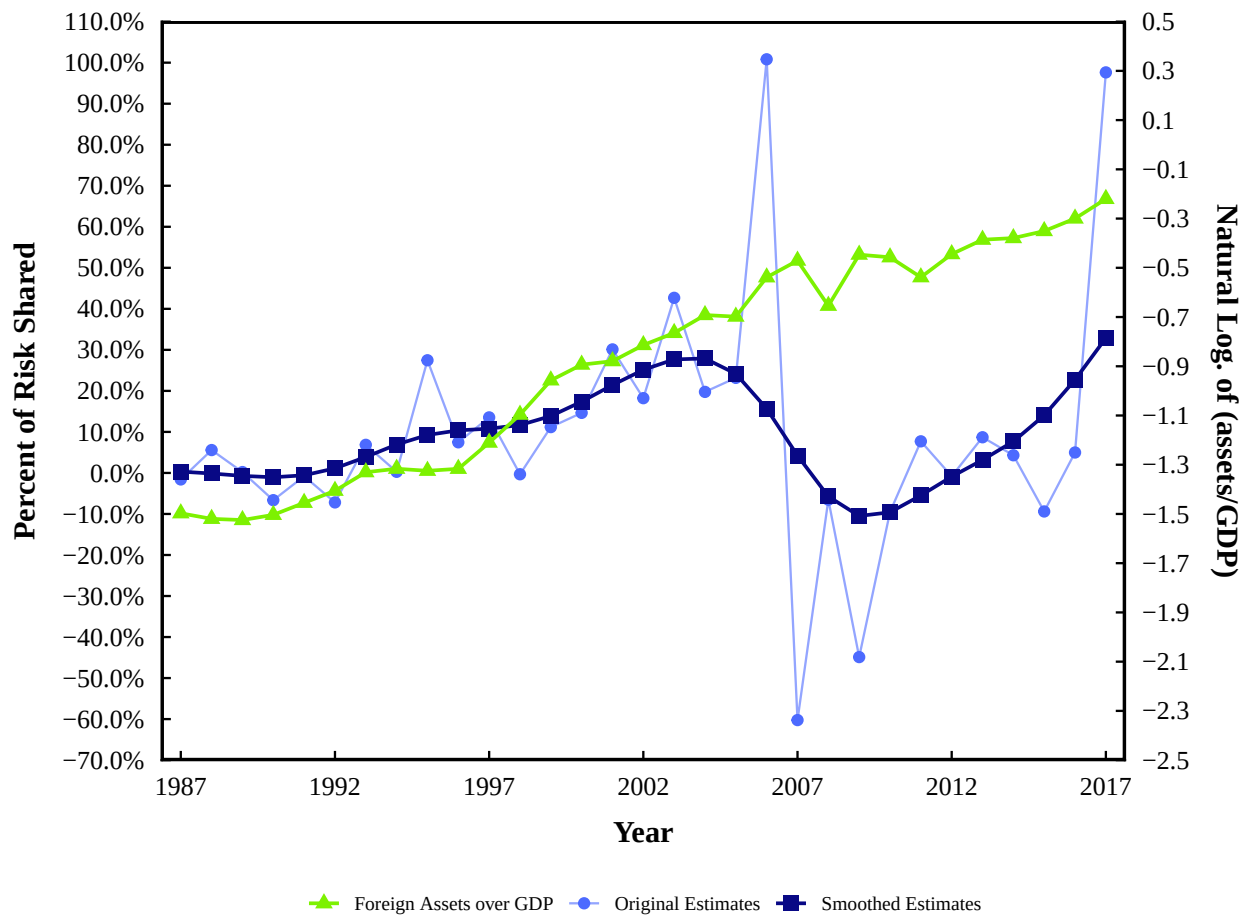

Figure 8: Income Risk Sharing

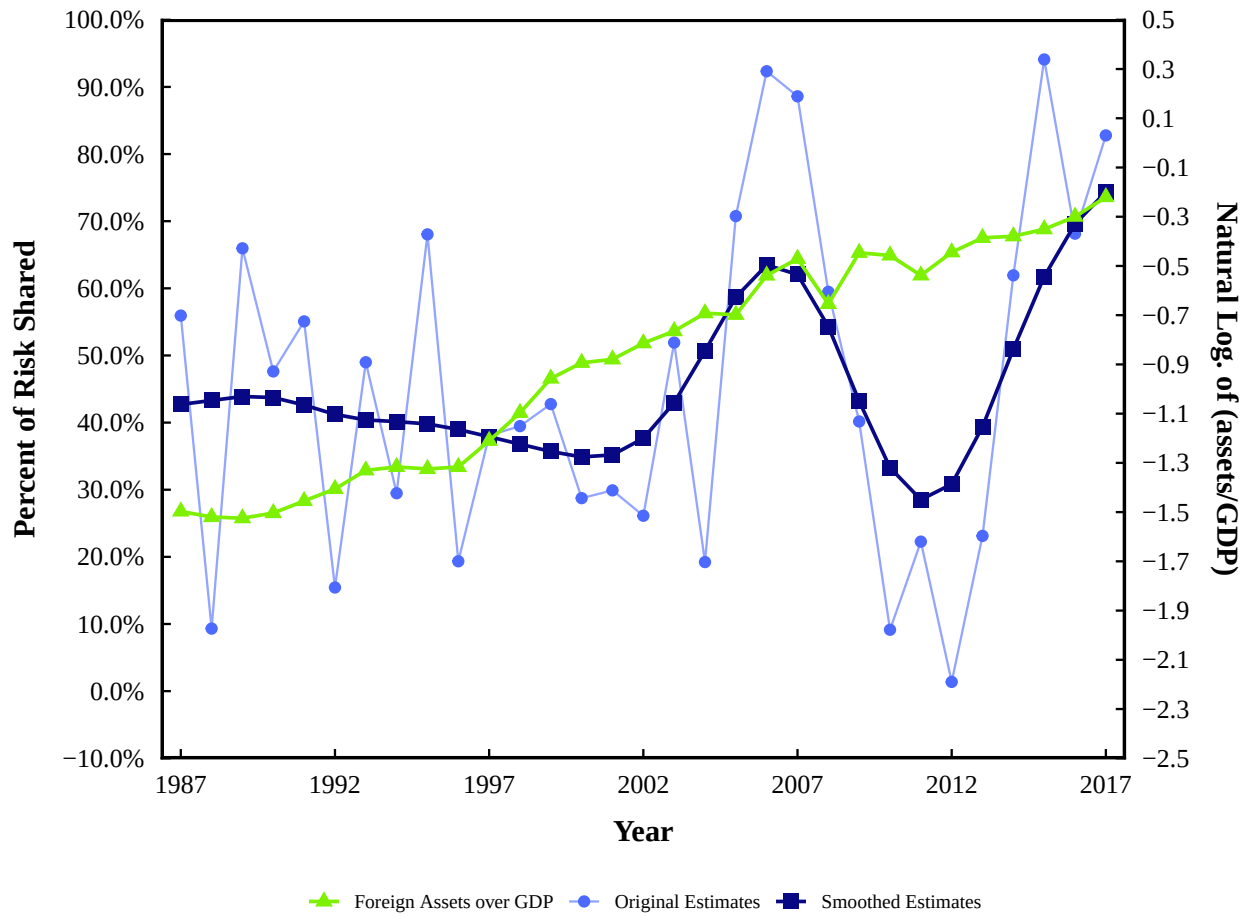

Figure 9: Consumption Risk Sharing

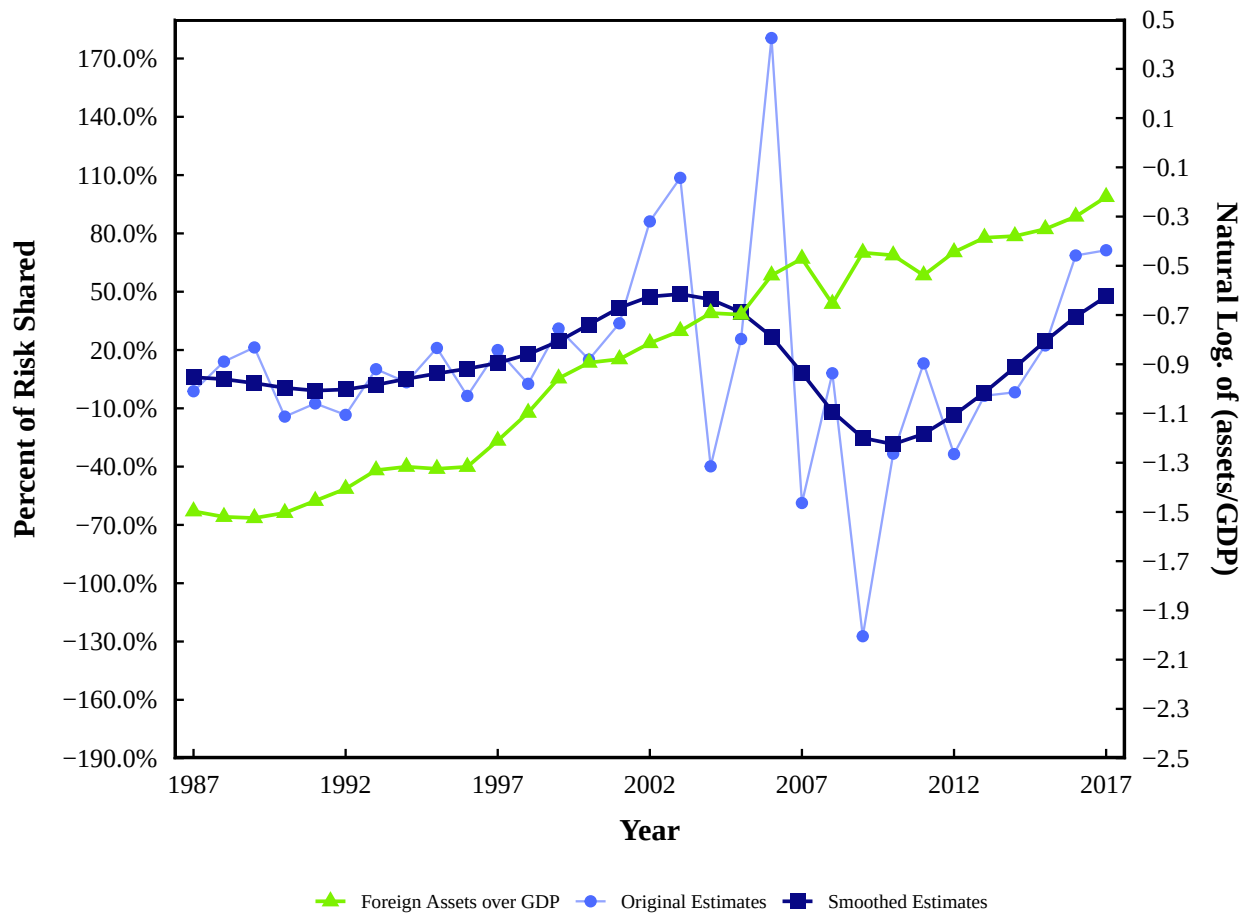

Figure 10: Income Risk Sharing

3 Channels of Risk Sharing

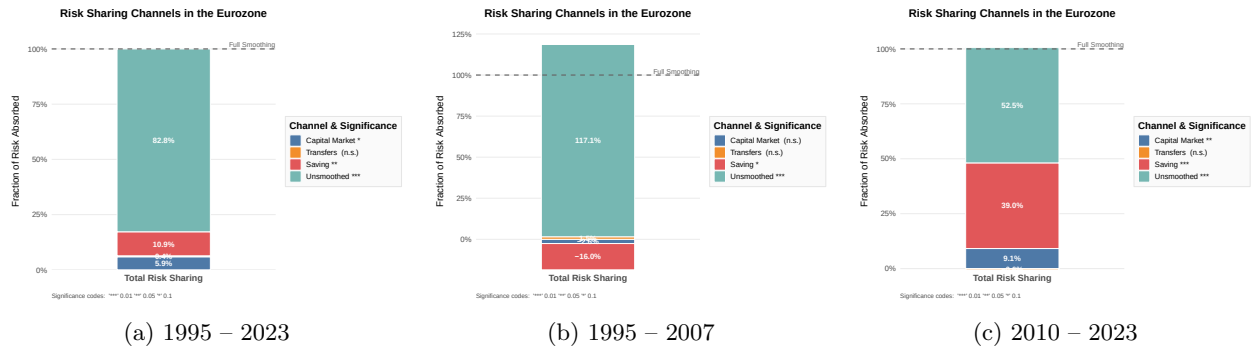

Figure 11: Risk Sharing Channels in the Eurozone: Different time periods (Panel Estimation)

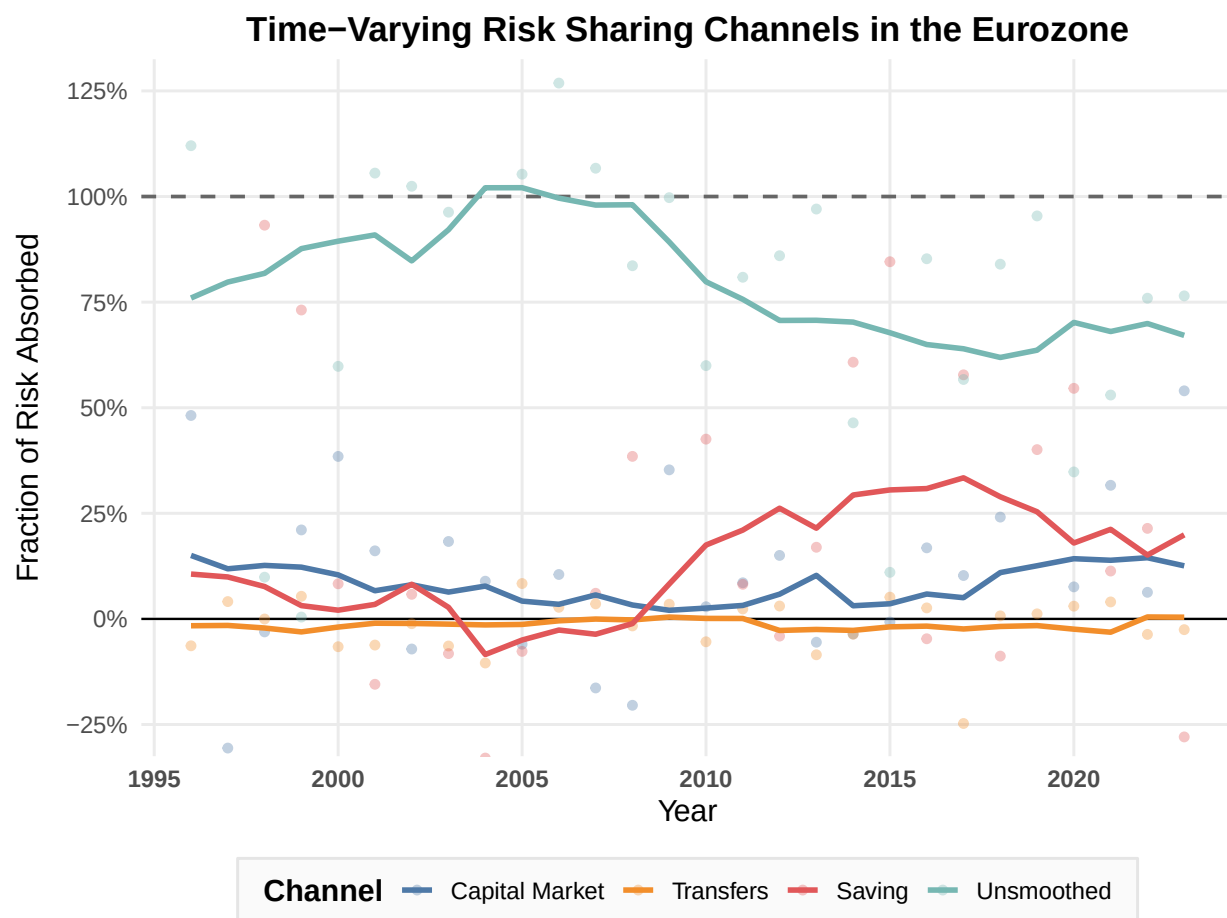

Figure 12: Risk Sharing Channels in the Eurozone: Year-by-year cross-sectional estimates (10-year centred moving averages)
